WORK EXPERIENCES

Internship/ OJT - Central Luzon College of Science and Technology, San Fernando Pampanga Branch (February 2025 - May 2025)

- Contributed in creating the student info registration system of the school as a Front – End Developer using HTML, CSS, JavaScript, Basic PHP and jQuery.
- Contributed in encoding student data into the system that my supervisor created.
- Fix the form's design problem using HTML, CSS.

Personal Portfolio – JJDEV React Portfolio (August 2025)

- Created a working personal portfolio using HTML, CSS, JavaScript, Vite, React.js, Tailwind CSS, Framer Motion.
- Created a working contact form for personal message or email with the integration of Web3Forms for the API.
- Push the portfolio to GitHub using Git and deploy it via vercel platform.

Capstone Project - Faculty Evaluation System for the College of Computing Studies (2023 – 2024)

- Contributed in creating an evaluation system with user levels for the students, teachers, chairperson, faculty secretary, and department dean using HTML, CSS, JavaScript, basic MySQL, and basic PHP.
- Added simple front – end functionalities such as modals and aesthetic designs using CSS and Bootstrap.
- Contributed in explaining the system's functionalities using PowerPoint.
- Deployed the system to Hostinger as the web hosting provider.

PROJECTS

JJDEV React Portfolio | HTML | CSS | JavaScript | React.js | Tailwind CSS | Framer Motion | Git | Web3Forms API

- Designed and develop my own portfolio with the integration of web3forms API for the contact form messages.

Solara Single Page Website Clone | WordPress | Elementor | Hello Elementor

- Created a single page website clone of Solara with white and blue color theme based on a UI from Figma.

Yotaku Agency | WordPress | Elementor | Hello Elementor

- Created a single page website to practice WordPress and Elementor by getting a free UI design from Figma.

OTHER RELEVANT ACADEMIC ACHIEVEMENTS

- **2023 - 2024** - Honed Collaboration Skills for the development of Capstone Project.
- **2023** - Participated in an IT Quiz Competition, testing knowledge in various areas of Information Technology.
- **2021 - 2025** - Became a consistent Dean's lister in Don Honorio Ventura State University.
